ENAR THERAPIST tailored CLINIC PACKAGES avail*

ENAR devices are sold with

* a 2 Year Repair and/or

Replacement Warranty,

(Not new for old), Plus

* Training Resources incl DVD

Plus, * Free Ph Help-Line and

* Life-time On-line Support,

May we inquire how did you hear about ENAR and ET?

The Enlightened Therapies ENAR Support Guarantee ensures that ET will respond to you personally right away.

Periodically further ET training resources including new DVD videos and other opportunities will be available exclusively to ET's ENAR Customers.

Enlightened Therapies commit to assist you with your ENAR for the life of your device. If your ENAR device is found to be defective, it will be replaced with a comparable device free of charge, under ENAR Warranty while your device is being repaired / assessed by the manufacturer. If your own device is not able to be repaired it will be replaced with another device that may be of a comparable age or condition. After the initial 2 year Warranty period your therapy device can be sent to the manufacturers for repairs at your own cost.

Prices include required GST.

<p>ENAR Extension Handle</p>		<p>The ENAR Extension Handle is ideal for self treating the back, and other hard to reach areas. Simply open the arms into their lock out position, clip the ENAR into its place and start treating. (\$145)</p>	<p>ET Bell Mushroom Probes</p>		<p>The ET Bell Mushroom set of Probes is a pair of extension electrodes for treating muscular and difficult areas. Robust 4 cm across steel heads can be used for massage style working. Hands-on therapists utilise this probe to work large problem areas. (\$145)</p>
<p>ENAR Through-Hair Brush</p>		<p>The ENAR through-hair brush ensures excellent skin contact when working directly on the scalp or other areas where there may be abundant hair. The hairbrush is also used to treat animals. (\$120)</p>	<p>ENAR Pads 8 reusable Sticky Pads</p>		<p>These Pads are reusable and their stickiness can be revived with just a drop of water. They are supplied in a pack of 8 small pads for \$25 or a pack of 4 larger pads for \$25 and are very useful in applying to any areas requiring ongoing use like structural problems. (\$25) (4 large or 8 small)</p>
<p>ENAR Fine-Point Wand Probe</p>		<p>This very fine point electrode is perfect for getting into those 'smile lines', spots, wrinkles and other tight areas. However, the wand's design means only for treating your self. (\$100)</p>	<p>ENAR 2-Way Leads</p>		<p>The 2-Way Leads are useful in applying ongoing treatment to areas like the back, knees or shoulders, where you can 'set the device and forget it'. With a device in a pocket, patients can enjoy a treatment whilst moving. Now extra strong (\$25)</p>
<p>ENAR Y-Point Probes</p>		<p>The Small Y-probe is an invaluable accessory in treating around toes and fingers and into crevices. (\$100) The Large Y-Probe has very big balls and is ideal for large and long muscles and ideal for sweeping the spine, both the central bony and the muscled L-R pathways. (\$145)</p>	<p>ENAR 4-Way Leads</p>		<p>The 4-Way Leads are able to apply treatment to an even more dispersed area and are useful in energetic techniques where the goal is to lift overall energy. You can enjoy a lengthy treatment while going about other activities. (\$50)</p>
<p>InfraBed Amethyst + Far Infra-red</p>		<p>The new ET InfraBed range is an extension to your ENAR Therapy to help treat the body where thermal or circulation or metabolism levels are low as with aging or very ill patients. Avail in 4 sizes mini, chair, medium, and King Single. (\$440 to \$1660)</p>	<p>Energy BioBlanket (2 Sizes)</p>		<p>Energy BioBlankets are designed to help the body to quickly regain and balance your energies in a relaxed and harmonious way. The Energy BioBlanket helps speed up rehabilitation. 2 sizes King Double \$660* 120 x 200 cm, or King Single \$330* 240 x 200 cm (incl Cover*)</p>
